Incentive Guide 2019

How do I earn credit?

Activity	Credits Earned
Apply for SNAP with a Resource Coordinator	1
Attend a Resource Coordination appointment (any appointment after initial/walk-in appointment)	1
Attend and complete any class at Food Finders* <small>*credit only given the first time you attend this class if it is offered multiple times</small>	1
Attend and complete Compassion Training	1

How do I buy things?

1. **Make sure you SIGN IN on the correct sheet for each class.**
2. **The Education Coordinator will use the class sign in sheet to tally the date/class title on an index card kept on file for you. Each person attending classes at Food Finders has their own index card on file for tracking their individual class attendance and credits accrued.**
3. **When you want to buy something from the Incentive Guide, fill out the form attached to the clipboard: there is one clipboard on the back of the classroom door and one hanging on the pantry waiting door.**
4. **Your item will arrive within a week – as time permits.**
5. **Staff members will let you know your item has arrived or you may check with them. The Education Coordinator will deduct your credits upon order of the item. Ask any time to find out your credits. Periodic messages will go out if you have a significant amount of credit accrued.**
